

NEWSLETTER

Dear Members,

Hi everyone. Another month has unbelievably shot past again, and it's time to say "Hello" from the IIG.

The Informer

Our August Informer sponsored by Global Choices should have reached you electronically, and printed copies were delivered to our Member Companies. I do hope that you enjoyed the publication. We are now busy with the November edition.

Website

Please remember that this is fully functional now and contains all the information pertaining to the IIG and details of our functions. A lot of our Members phone to ask about photographs of our functions, these are to be found under "Gallery". Visit the site!!

Ladies Golf Day: 14 August

Thanks again to Glasfit for organising another Golf Day for the ladies. This was held on the 14th August at the Creek 9 Course in Roosevelt Park. We had such a tremendous turn out, that a shotgun start was arranged to accommodate all the ladies. Judging by the popularity of this event, I think we are going to have to find an alternative venue!

The ladies were really generous and contributed to a huge donation of food and bedding going to the Animal Anti Cruelty League. Thank you ladies!!

Family Fun Day: Cancelled

The IIG had planned an amazing day for families to enjoy at a nominal charge. Where would you be able to have a full day of entertainment, various rides, slides, games, Helicopter rides, Bands and lunch included of the price of R25 pp?

But unfortunately due to a lack of response, this planned day filled with fun and entertainment for the whole family, had to be cancelled.

Our apologies, to those of you who did book and who were looking forward to the day. We were just as disappointed!

Business Breakfast: 17 September

We held our Business Breakfast at the Johannesburg Country Club, where Gary Bailey, internationally renowned former goalkeeper for Manchester United and Kaizer Chiefs, was our guest speaker for the morning. He gave his 2010 Gameplan presentation which provided the facts and information required to grasp the magnitude of the opportunities presented by the World Cup 2010.
