

NEWSLETTER

Dear Members,

Another month has whizzed by and it's time again to give you an update on what's happening with the IIG.

The Informer

We are busy with the collation of articles, photographs and events for our next Informer. This publication which is sponsored by Glasfit will reach you by mid May.

Website

We are extremely excited about the relaunching of our Website in May. Our Deputy President Natasja Blok has been hard at work with this project, and soon you will be able to access the fruits of her labour: all IIG information from Council Members, Membership, Functions right through to viewing all of our photographer's hard work in the Photo Gallery. Corporate Members as well as our Sponsors have been given added exposure on our site, with views of their Logos and website addresses.
