

## NEWSLETTER

Dear Members,

This will be the first of monthly newsletters to reach you. These will be short informative letters with regards to IIG Functions and any special news relating to the industry.

Our larger official newsletter, the Informer, will be issued in February, April, August and November. These 4 issues will give comprehensive coverage of all functions, news and will profile our Council for 2008. Each of these publications will also allow exposure for the particular sponsor.

We have an exciting year planned for 2008, and encourage you all to participate in the upcoming functions. These not only provide a platform for our members to network in a healthy environment (Golf Days in the fresh air), but also enables our members to include their spouses & partners at the Inaugural Dinner and Midwinter Bash, and their children at the Family Day. We provide our members with educational functions, such as our Business Seminar and Business Breakfast with leading speakers from all business sectors. Most importantly we support our Charities by raising funds at the very popular Charity Auction.
