GLASFIT Ladies Golf Day

Once again Glasfit sponsored a wonderful Ladies Golf Day, held at Creek 9 Golf Club in Roosevelt Park. This day caters for the non Golfers in the industry.

We had a wonderful turn out of 54 ladies for the day, some having never held a club at all and some proving to be extremely talented. Thank you to the Glasfit "Golf Pro's" for their undivided attention and their sense of humour.

Competition was heated when it came to the Best Dressed Team, as most of the ladies had gone to a lot of trouble in regards to their "Team outfits". Barry Miller and his team eventually gave the prize for Best Dressed to the CIB girls in their Cerise Pink.

Fun out on the course is legendary on this day, and the 14 May 2008 was no exception. The ladies all progressed well until the 6th hole where we had a slight pile up due to the Glasfit guys and their refreshments!! Eventually everyone completed their round and prize giving got underway.

Our winners were as follows:

1st Place: Neechia from Santam

2nd Place: Quanita from Enbridge

3rd Place: Bonny & Daleen from Santam

4th Place: Eileen & Linda from Santam

Nearest the pin: Susan de Wet from Cross Country

Longest Drive: Karin Dysel from CIB

(Take a look at the photo's on the Website)

The next Glasfit Ladies Golf Day will be held on the 14 August.

Business Seminar: 12 June 2008

The Seminar was held at the Johannesburg Country Club, Auckland Park in the beautiful Rainbow Room. Registration started at 8h30 and the morning officially started at 09h00 with Anand Pillay's introduction of our first speaker: Justice Malala.

Justice gave a very insightful and thought provoking presentation on the Political climate of the country. The delegates then broke for refreshments before reassembling for the second speaker of the morning. Dr David Molapo then shook everyone awake with his energetic and hopeful message. Look out for a more detailed account in the August Informer and photo's on the Website.
